

Recently the Mid North Coast Girls Surfriders Inc held their Annual Presentation Day and Christmas Party at Rainbow Beach Bonny Hills. Mother Nature turned up in all her glory with great waves and sunny weather for our end of year celebration. We started the day with the tag team surfing competition format. All surfer girls that signed in were divided into 4 teams regardless of their age or surfing ability. They had to paddle out, catch a wave back into the beach whilst being judged then tag their next team member. There were lots of laughs, lots of cheering and encouragement keeping our focus and values alive and well: \*Promote girls surfing \*Promote fun, fitness & friendship \*Promote the enjoyment of surfing \*Promote full participation regardless of ability \*Provide a non-threatening environment. In first place on 193.8 points was the PINK team closely followed by the BLUE team on 177 points. The tag team event was followed by our annual presentation and a delicious BBQ lunch. We are looking forward to our 2011 season with registration day being held on Sunday 30<sup>th</sup>, 2011 at Rainbow Beach, Bonny Hills – 9 am to 11 am with our first competition to be held on Sunday February 13<sup>th</sup>, 2011 7 am sign in, with the first heat in the water at 7.30 am.
